Mystery at the sports centre

My name is Daniel and I love doing sport. My favourite hobby is tennis – I play every weekend and I'm really good at it. Last weekend I was in a tennis competition at a sports centre. Our PE teacher, Mr Hedge, organised a trip there for the players.

'You can bring lunch if you want to,' he said. 'But you don't have to because there's a cafeteria at the sports centre.'

It took a long time to get there because the competition was in another city in the north of the country. After about two hours, we finally arrived at the sports centre. I got changed and left my things in a locker. I didn't lock it because there wasn't anything valuable there. I played in two tennis matches in the morning. At lunchtime I went back to the locker room. I opened my locker to get my packed lunch, but my tuna sandwiches weren't there! I couldn't find them anywhere.

'Where are they?' I asked Paul. 'It's a mystery!'

'They might be on the bus,' he said. We went outside and looked on the bus, but they weren't there. So we went to the cafeteria to buy some lunch.

Half an hour later, Paul and I went back to the locker room. A large, fat cat was sitting outside looking very happy. There was a bit of a tuna sandwich next to the cat!

'Aha!' said Paul. 'We've solved the mystery, haven't we!'
